 [PORTFOLIO](#)

Recent college graduate with a strong foundation in Java, Python, MySQL, and Web Development, driven to contribute my expertise as a Software Developer in a dynamic organisation.

## Skills

---

Java | Python | JavaScript | MySQL | Git & GitHub | HTML | CSS | React | Linux/Unix (Basic)

## Education

---

- ❖ Computer Engineering | AMC Engineering College, Bengaluru CGPA: **8.15** | 2019 - 2023
- ❖ XII (PCMB) | Siddhartha Pre University College, Bhatkal 77.5% | 2019

## Work Experience

---

- ❖ **KodNest Technologies** | Software Development Intern | Bengaluru June 2023 - Present
  - As an intern at KodNest, I actively developed practical skills in Java, Python, Full Stack development, and SQL.
  - Key role in designing and developing backend databases and front-end interfaces. using HTML, CSS, and JavaScript.
  - Developed a comprehensive skill set by combining technical knowledge, and problem-solving with practical application in a dynamic work environment.
- ❖ **Compsoft Technology** | Full Stack Web Developer Intern | Bengaluru May- June 2022
  - Understanding the design brief and client specifications.
  - Implemented the same in designing and developing backend databases and front end using HTML, CSS and JAVASCRIPT technologies.

## Projects

---

- ❖ **LADDER (Platform To Connect Innovators With Investors)** - [GitHub Link](#)  
Developed a platform facilitating connections between innovators and investors, integrating Stripe payment services for secure transactions, and implementing feedback mechanisms to enhance user experience - React, Sass, Node.js, MongoDB, JavaScript.
- ❖ **TuneHub - Java Powered Online Music Player** - [GitHub Link](#)  
Developed an online music player application with playlist management and integrated payment gateway for premium feature access - Java, Thymleaf, MySQL, HTML, CSS, Bootstrap.
- ❖ **TextUtils - Using React** [Link](#)  
A Text Manipulation Application developed with React, facilitating intuitive text operations including case conversion, clearing, copying, and space removal.

## Certifications and Extracurricular Achievements

---

- ❖ **CodeKaze - Coding Ninjas**  
Completed hands-on coding challenges, showcasing problem-solving abilities.
- ❖ **National Level - Science and Technology Exhibition** 2017  
Recognized for outstanding contributions at the national level, showcasing a passion for science and technology.
